1947

EDISON ELECTRIC INSTITUTE

INDEX TO 1947 EDISON ELECTRIC INSTITUTE BULLETIN

Volume 15

Issue	*Pages*	*Issue*	*Pages*
January	1- 32	July	249-280
February	33- 64	August	281-312
March	65- 96	September	313-352
April	97-144	October	353-388
May	145-184	November	389-428
June	185-248	December	429-460

General Index

A

Accident Prevention
- Five Years of Fatal Accidents in the Industry Point the Way to Prevention—D. C. Stewart, 297
- Quick Thinking — Acting Saves Lives — EEI Resuscitation Awards Prove—Mae B. Woods, 87

Accident Prevention Committee
- Atlanta Meeting, 55
- Chicago Meeting, 308
- New York Meeting, 385

Accountant's Place in Management—A Challenge to All of Us—J. V. Toner, 149

Accounting
- Accountant's Place in Management—A Challenge to All of Us—J. V. Toner, 149
- AGA-EEI Accountants Hold Lively Conference, 145
- Dispersion Factor in Depreciation Accounting—A. W. Hastings, 289
- Economic Guideposts for Business Planning—Murray Shields, 157
- Joint Accounting Conference Will Provide Wide Variety of Important Subjects, 53
- Trends in Utility Accounting and Financing—Paul Grady, 152

Accounting Division General Committee, Atlantic City Meeting, 260

Additional Data on George A. Hughes Award, 40

Advantages of 11-13 Kv Class Radial Primary Distribution for New Urban Loads—L. D. Cronin, 44

AEIC and EEI Meter and Service Committees Plan February Meeting, 397

AGA-EEI Accountants Hold Lively Conference, 145

Aggressive Sales Programs Planned at Record-Breaking EEI Conference, 103

Agricultural Development (See Farm Electrification)

Agricultural Development Clinic Emphasizes Promotion of Farmers' Welfare, 33

Agricultural Workers' Part in Farm Electrification—Part I—Ide P. Trotter, 130; Part II—Jessie Campbell, 133

American Faith in a Dynamic Economy—Charles E. Wilson, 395

Anatomy of Depreciation
- Important Book on an Important Subject, 134

Announcement of Changes in Electrical and Photometric Units, 382

Appliance Costs
- Effect of Electric Appliance Prices on the Buying Public—W. E. Saylor, 435

As Agriculture Goes, So Goes Our Destiny—Roy Godley, 316

Atomic Energy—Rear Adm. William S. Parsons, 217

Awards
- Coffin (Charles A.) Medal Competition for 1947 Announced, 440
- Institute's Prize Awards, 27
- New York State Electric and Gas Corporation Receives Coffin Award, 220
- Twelve Public Service Company of Colorado Employees Received Matthews Valor Award, 244

B

Better Light-Better Sight 1947 Program Will Be Most Comprehensive Ever Offered, 28

Branch Circuit Protection
- Branch Circuit Protection Committee Reports Progress, 383
- EEI-AEIC Joint Committee on Branch Circuit Protection, 169

C

Coal Strike
- How Cleveland Company's Rapid Switch to Oil Was Made During Coal Strike—David R. Buschman, 5

Codes
- Effect of Restrictive Electrical Codes and Ordinances on Building Costs—Albert F. Metz, 431

Coffin (Charles A.) Medal Competition for 1947 Announced, 440

Commercial Activities
- Aggressive Sales Programs Planned at Record-Breaking EEI Conference, 103
- Education is the Foundation for Lighting Sales—Harry Restofski, 107
- Go All Electric—The Modern Way—J. R. Poteat, 119
- Marketing—The Next Big Job—Don G. Mitchell, 257
- Planned Lighting and the Electrical League—Joseph S. Schuchert, 445
- Planned Lighting for Profit Load is Theme of Institute Sales Program, 81
- Planned Lighting Program for the Electrical Industry—Joseph S. Schuchert, 109
- Record-Breaking Attendance Expected at EEI Annual Sales Conference, 52
- Refrigeration, Present and Future—Don H. Anderson, 83

Commercial Aspects of the Heat Pump—Dr. E. N. Kemler, 20

Commercial Cooking Folder Published by EEI, 346

Commercial Market Emphasized in EEI Committee Report, 126

Connection of New Homes Still Proceeding at Record Levels, 306

Construction Cost Trends and Implications—William F. Ryan, 229

Construction Program
- Oakes Announces Five Billion Dollar Construction Program of Electric Power Companies, 313

Conventions and Meetings
- Accident Prevention Committee Meetings, 55, 308, 385
- Accounting Division Meeting, 260
- AEIC and EEI Meter and Service Committees Plan February Meeting, 397
- AGA-EEI Accountants Hold Lively Conference, 145
- Ebasco Holds 9th Annual Safety Meeting, 416
- Electrical Equipment Committee Meetings, 56, 180, 421
- Maryland Utilities Association Meeting, 151
- Meter and Service Committee Meeting, 59
- Northwest Electric Association Holds Accounting Meeting, 270
- Pennsylvania Electric Association Holds Annual Industry Conference, 384
- Impressive Program is Arranged for EEI Convention—Charles E. Oakes, 65
- Institute Holds Greatest Convention in Fifteen Years, 185
- Joint Accounting Conference Will Provide Wide Variety of Important Subjects, 53
- Record-Breaking Attendance Expected at EEI Annual Sales Conference, 52
- Second Farm Electrification Conference to be Held in Indianapolis on October 7-8, 314
- To Those Planning to Attend the EEI Convention, 97
- Transmission and Distribution Committee Meetings, 57, 181, 419
- Wisconsin Utilities Hold Joint Gas and Electric Convention, 457

Correspondence—Who Was Anson Clark?, 343

Cost Trends
- Construction Cost Trends and Implications—William F. Ryan, 229
- Trends in Construction Costs—J. P. Anderson, 411

Courses Fit GI's for Utility Jobs, 416
Customer Prosperity Is Our Business!—Robert G. Ely, 281
Customer Relations (See Also Public Relations)
Electric Road Show of Union Electric Packs 'Em In, 315
Home Service Programs—S. S. Bradford, 23
How Public Service Company of New Jersey Handles "Trouble Calls"—Thomas L. Hall, 321
How to Lose Friends—How to Make Them—Edward T. Kaveny, 375
If I Were a Customer of Yours—Davis M. DeBard, 443
Public Relations Along the Right-of-Way—E. S. Mathers, 41
Reflecting Customer Attitude Accurately to Top Management—F. J. Porter, Jr., 173
Write As You Talk—Customers Like It—C. L. Sullivan, 165

D

Depreciation
Dispersion Factor in Depreciation Accounting—A. W. Hastings, 289
Important Book on an Important Subject, 134
Detroit Edison to Complete Farm Electrification This Year, 430
Dispersion Factor in Depreciation Accounting—A. W. Hastings, 289

E

Ebasco Holds 9th Annual Safety Meeting, 416
Ebasco Plans Safety Program, 352
Economic Guideposts for Business Planning—Murray Shields, 157
Edison Centennial
Edison (Thomas A.): Prototype for American Enterprise—Frank M. Tait, 69
Electric Companies Announce Edison Centennial Plans—Clarence L. Law, 9
EEI-AEIC Joint Committee on Branch Circuit Protection, 169
EEI Committees
EEI Committees—A Pooling of Talents, Experiences and Brains for a Common Purpose, a Common Goal—Part I, 353; Part II, 389
Indoor Climate Committee of EEI Issues Report on the Heat Pump, 330
Personnel of EEI Committees for 1947-1948, 331
EEI Committees—A Pooling of Talents, Experiences and Brains for a Common Purpose, a Common Goal—Part I, 353; Part II, 389
EEI Planned Lighting Program to be Presented at Lighting Exposition, 342
EEI Publications and Service Material, 62, 140, 347, 424
EEI Publishes Farm Electrification Manual, 345
EEI Publishes Water Heater Installation Manual, 287
EEI Standard Package and Standard Description Group Holds Joint Meeting with Manufacturers, 342
Edison (Thomas A.): Prototype for American Enterprise—Frank M. Tait, 69
Education is the Foundation for Lighting Sales—Harry Restofski, 107
Effect of Automatically Controlled-Motor Driven Devices Upon Distribution Feeder Loads—E. W. Oesterreich, 11
Effect of Electric Appliance Prices on the Buying Public—W. E. Saylor, 435
Effect of Restrictive Electrical Codes and Ordinances on Building Costs—Albert F. Metz, 431
Electric Appliance Production Is Now Double Pre-War Level, 422
Electric Companies Announce Edison Centennial Plans—Clarence L. Law, 9
Electric Heating
Improved Production with Electric Heat—E. L. Kavanaugh, 293
Electric Industrial Truck for Material Handling—Charles F. Kells, 317
Electric Industry
Electric Light and Power Industry in 1947—Charles E. Oakes, 429
Electric Utilities and Southern Progress—Thomas W. Martin, 285
Electricity Production in U. S. Now At Rate of 300 Billion Kwhr per Year, 365
Engineering News Report—J. W. Parker, 252
If Only We Had Faith—Elmer L. Lindseth, 201
Looking to Your Future—L. E. Osborne, 198
Oakes Announces Five Billion Dollar Construction Program of Electric Power Companies, 313
President's Report—Grover C. Neff, 193
What Makes Leadership?—Frank R. Pierce, 208
Electric Light and Power Industry in 1947—Charles E. Oakes, 429
Electric Road Show of Union Electric Packs 'Em In—315
Electric Utilities and Southern Progress—Thomas W. Martin, 285
Electrical Equipment Committee
Atlanta Meeting, 56
Chicago Meeting, 180
Philadelphia Meeting, 421
Electricity Production in U. S. Now At Rate of 300 Billion Kwhr Per Year, 365
Employee Information and Education—Gerald S. Dailey, 303
Employee Relations
Employee Information and Education—Gerald S. Dailey, 303
Employee Relations for Office Workers—Merle Hale, 161
Security Within Industry—Dr. Adam S. Bennion, 271
Selection and Training of Personnel—M. S. Viteles, 74
Employee Relations for Office Workers—Merle Hale, 161
Engineering News Report—J. W. Parker, 252

F

Factors Affecting Relocation of Industry—H. F. Rech, 274
Farm Electrification
Agricultural Development Clinic Emphasizes Promotion of Farmers' Welfare, 33
Agricultural Workers' Part in Farm Electrification—Part I—Ide P. Trotter, 130; Part II—Jessie Campbell, 133
As Agriculture Goes, So Goes Our Destiny—Roy Godley, 316
Detroit Edison to Complete Farm Electrification This Year, 430
EEI Publishes Farm Electrification Manual, 345
Farm Electrification Conference Examines Important Problems, 417
Farm Market and How to Use It—Paul E. Miller, 127
Our Ten Years' Experience with Territorial Development—A. C. Spurr, 36
Second Farm Electrification Conference to be Held in Indianapolis on October 7-8, 314
Utilities Finance Idaho Farm Electrification Research Program, 346
What Is the Pay-Off—C. H. Leatham, 39
"What's the Job" in Rural Electrification, 288
Farm Electrification Conference Examines Important Problems, 417
Farm Market and How to Use It—Paul E. Miller, 127
Finance
Look at Your Broadened Responsibilities—Thomas I. Parkinson, 213
Trends in Utility Accounting and Financing—Paul Grady, 152
Fire Prevention
Prevention and Extinguishing of Insulating Oil Fires in Power Stations and Substations—Hollis K. Sels, 379
Five Years of Fatal Accidents in the Industry Point the Way to Prevention—D. C. Stewart, 297
Free Enterprise
American Faith in a Dynamic Economy—Charles E. Wilson, 395
Fundamental Issue—Free Enterprise vs. Collectivism—A. E. Grauer, 71
What Makes American Enterprise Keep Ticking?—Virgil Jordan, 235
Where Do We Go From Here?—Louis Ruthenburg, 449
Freedom Train Reminds U. S. Citizens of Democratic Ideals, 363
Fuel Economy Conference, 219
Fundamental Investigation of Graphitization of Piping, Progress Report No. 9, 171
Fundamental Issue—Free Enterprise vs. Collectivism—A. E. Grauer, 71

G

Generating Capacity
New Generating Capacity Installations, 369
Power Industry Survey Estimates 5 Percent Margin of Capacity Above Peak Demands this Winter, 364
Generation
Generator Ratings and Load Carrying Capabilities of Generating Plants and Systems—J. H. Foote, 399
Go All Electric—The Modern Way—J. R. Poteat 119
Government Ownership
Fundamental Issue—Free Enterprise vs. Collectivism—A. E. Grauer, 71
Pitfalls in the British System—Brigadier General W. H. Hayes, 221
Self-Reliance—Preston S. Arkwright, 1
What Makes American Enterprise Keep Ticking?—Virgil Jordan, 235
Graphitization of Piping
Fundamental Investigation of Graphitization of Piping—Progress Report No. 9, 171
Guide to Selection of Sales Personnel Published by EEI, 345

H

Half Was Not Told—D. Hiden Ramsey, 441
Heat Pump
  Commercial Aspects of the Heat Pump—Dr. E. N. Kemler, 20
  Heat Pump as a Load Builder—A. C. Crandall, 114
  Joint Heat Pump Committee Organized—Holds Meeting in New York, 330
Heat Pump as a Load Builder—A. C. Crandall, 114
Highlights on Standardization in the Detroit Edison Company—Arthur J. Beck, 403
Home Planning Booklet Issued by Electrical Living Committee, 402
Home Service Programs—S. S. Bradford, 23
Honor First Alex Dow Award Winners, 86
How Cleveland Company's Rapid Switch to Oil Was Made During Coal Strike—David R. Buschman, 5
How Public Service Company of New Jersey Handles "Trouble Calls"—Thomas L. Hall, 321
How to Lose Friends—How to Make Them—Edward T. Kaveny, 375
How to Train Your Men for Creative Selling in a Returning Buyer's Market—R. C. Borden, 123

I

If I Were A Customer of Yours—Davis M. DeBard, 443
If Only We Had Faith—Elmer L. Lindseth, 201
Important Book on An Important Subject, 134
Impressive Program is Arranged for EEI Convention—Charles E. Oakes, 65
Improved Production with Electric Heat—E. L. Kavanaugh, 293
Increased Production Through Production Methods—John D. Sheahan, 135
Increasing Production Through Methods Analysis—Harold B. Maynard, 137
Indiana Electric Association Annual Convention, 425
Indiana Electric Association Sponsors Young Men's Utility Conference, 156
Indoor Climate Committee of EEI Issues Report on the Heat Pump, 330
Industrial Development
  Customer Prosperity Is Our Business!—Robert G. Ely, 281
  Factors Affecting Relocation of Industry—H. F. Rech, 274
Industrial Power
  Improved Production With Electric Heat—E. L. Kavanaugh, 293
  Increased Production Through Production Methods—John D. Sheahan, 135
  Increasing Production Through Methods Analysis—Harold B. Maynard, 137
  Refrigeration, Present and Future—Don H. Anderson, 83
Industrial Relations
  Employee Relations for Office Workers—Merle Hale, 161
  Labor and Management—One Team, One Furrow—Ralph Chaplin, 225
  Selection and Training of Personnel—M. S. Viteles, 74
In-Service Training Program for Agricultural Workers, 200
Institute Holds Greatest Convention in Fifteen Years, 185
Institute's Prize Awards, 27

J

Japan's Electric Rates Increased Threefold, 352
Joint Accounting Conference Will Provide Wide Variety of Important Subjects, 53
Joint Heat Pump Committee Organized—Holds Meeting in New York, 330

K

Kansas City Power and Light Employees Design New Meter Test Rack, 256
Kansas City Power and Light Uses Planned Lighting in Its New Store and Office Building, 448

L

Labor and Management—One Team, One Furrow—Ralph Chaplin, 225
Let's Tell America—Robert S. Peare, 261
Lighting
  Education Is the Foundation for Lighting Sales—Harry Restofski, 107
  Planned Lighting and the Electrical League—Joseph S. Schuchert, 445
  Planned Lighting for Profit Load is Theme of Institute Sales Program, 81
  Planned Lighting Program for the Electrical Industry—Joseph S. Schuchert, 109
Look At Your Broadened Responsibilities—Thomas I. Parkinson, 213
Looking to Your Future—L. E. Osborne, 198

M

Major Electrical Connections of Latest Distribution Substations on Philadelphia Electric System—E. B. Shew, 49
Marketing—The Next Big Job—Don G. Mitchell, 257
Maryland Utilities Association Meeting, 151
Meter and Service Committee
  Newark Meeting, 59
Meters
  Revision of Code for Electricity Meters—A. J. Allen, 370

N

New Generating Capacity Installations, 369
New Monthly for Rural Customers of United Light and Railways System, 425
New Officials Elected at Northwest Association Meeting, 284
New Research Lab to Test High Voltage Insulators Dedicated by Locke Insulator Corporation, 398
New York State Electric and Gas Corporation Receives Coffin Award, 220
North (Jack) Honored at Cleveland Electrical League Luncheon, 292
Northwest Electric Association Holds Accounting Meeting, 270

O

Oakes Announces Five Billion Dollar Construction Program of Electric Power Companies, 313
Obituaries
  Arkwright, Preston S., Jr., 450
  Benedict, C. M., 179
  Cohn, Charles M., 22
  Crocker, Theodore D., 296
  Hickling, William G., 172
  Hoy, Robert W., 425
  Jesser, Frederick W., 268
  Lee, Knox, 184
  Nash, Luther R., 320
  Porter, H. Hobart, 54
  Schoellkopf, Paul, 382
  Shaw, Phillips B., 434
  Slack, Roy Collins, 416
  Smith, Chester C., 59
  Wagner, Herbert A., 453
  Walker, J. Herbert, 456
  Weadock, Bernard F., 406
Oklahoma Gas and Electric Company Method for Load Determination on Distribution Transformers—Perry Shelley, 17
Our Ten Years' Experience with Territorial Development—A. C. Spurr, 36

P

Pennsylvania Electric Association Holds Annual Industry Conference, 384
Pennsylvania Power and Light Sets Up 15 Agricultural Scholarships to Penn State, 383
Personnel
  Ridout Becomes EEI Rural Service Manager, 363
Personnel of EEI Committees for 1947-1948, 331
Pitfalls in the British System—Brigadier General W. H. Hayes, 221
Planned Home Lighting Program Released by EEI, 387
Planned Lighting and the Electrical League—Joseph S. Schuchert, 445
Planned Lighting for Profit Load is Theme of Institute Sales Program, 81
Planned Lighting Program Described at Press Conference, 345
Planned Lighting Program for the Electrical Industry—Joseph S. Schuchert, 109
Power Industry Survey Estimates 5 Percent Margin of Capacity Above Peak Demands this Winter, 364
President's Report—Grover C. Neff, 193
Prevention and Extinguishing of Insulating Oil Fires in Power Stations and Substations—Hollis K. Sels, 379
Prime Movers Committee
  Schenectady Meeting, 48
Public Attitude Today—Dr. Claude Robinson, 265
Public Relations (See Also Customer Relations)
  Agricultural Development Clinic Emphasizes Promotion of Farmers' Welfare, 33
  Half Was Not Told—D. Hiden Ramsey, 441
  Let's Tell America—Robert S. Peare, 261
  Look at Your Broadened Responsibilities—Thomas I. Parkinson, 213

Our Ten Years' Experience With Territorial Development—A. C. Spurr, 36
Public Attitude Today—Dr. Claude Robinson, 265
Rate Reduction Publicity Program Does Effective Job—M. H. Frank, 277
Serving the People—A New Concept—S. L. Drumm, 14
We Like People, 402
What to Do About It—E. R. Dunning, 269
Public Relations Along the Right-of-Way—E. S. Mathers, 41
Purchasing and Stores Committee
Atlanta Meeting, 422
Chicago Meeting, 106

Q

Quick Thinking—Acting Saves Lives—EEI Resuscitation Awards Prove—Mae B. Woods, 87

R

Radio Communication
Recent FCC Actions on Mobile Radio and the Problems Facing Electric Utilities—G. H. Underhill, 45
Utilities Having Radio Licenses or Construction Permits, 454, 47
Utility Radio Organization Expanding, 307
Random Observations of an Itinerant Business Man—Ashton B. Collins, 407
Rate Reduction Publicity Program Does Effective Job—M. H. Frank, 277
Rates
Japan's Electric Rates Increased Threefold, 352
Rate Reduction Publicity Program Does Effective Job—M. H. Frank, 277
Rates—A Challenge—G. M. Gadsby, 241
Recent Rate Trends and Rate Research Committee Activities—E. N. Strait, 249
Rates—A Challenge—G. M. Gadsby, 241
Recent FCC Actions on Mobile Radio and the Problems Facing Electric Utilities—G. H. Underhill, 45
Recent Rate Trends and Rate Research Committee Activities—E. N. Strait, 249
Record-Breaking Attendance Expected at EEI Annual Sales Conference, 52
Reflecting Customer Attitude Accurately to Top Management—F. J. Porter, 173
Refrigeration, Present and Future—Don H. Anderson, 83
Research
New Research Lab to Test High Voltage Insulators Dedicated by Locke Insulator Corporation, 398
Super High Voltage Transmission Research Begins at Tidd 500 Kv Test Project, 371
Research on Steam Contamination and Turbine Blade Deposits Recently Started, 85
Revision of Code for Electricity Meters—A. J. Allen, 370
Rhode Island Utility Sells 1 out of 3 Prospects Replying to Planned Store Lighting Mailing Pieces, 401
Ridout Becomes EEI Rural Service Manager, 363
Rural Electrification (See Farm Electrification)

S

Safety
Ebasco Plans Safety Program, 352
Prevention and Extinguishing of Insulating Oil Fires in Power Stations and Substations—Hollis K. Sels, 379
Safety Film Available from EEI, 346
Safety Film Available from EEI, 346
Sales Training
How to Train Your Men for Creative Selling in a Returning Buyer's Market—R. C. Borden, 123
Second Farm Electrification Conference to be Held in Indianapolis on October 7-8, 314
Security Within Industry—Dr. Adam S. Bennion, 271
Selection and Training of Personnel—M. S. Viteles, 74
Self-Reliance—Preston S. Arkwright, 1
Service Continuity Standards Aid Economical Distribution Planning—W. J. Lyman, 325
Serving the People—A New Concept—S. L. Drumm, 14
Standardization
Highlights on Standardization in Detroit Edison Company—Arthur J. Beck, 403
Steam Contamination Research
Research on Steam Contamination and Turbine Blade Deposits Recently Started, 85
Super High Voltage Transmission Research Begins at Tidd 500 Kv Test Project, 371

T

Tidd Test Project
Super High Voltage Transmission Research Begins at Tidd 500 Kv Test Project, 371
To Those Planning to Attend the EEI Convention, 97
Transmission and Distribution
Advantages of 11-13 kv Class Radial Primary Distribution for New Urban Loads—L. D. Cronin, 44
Effect of Automatically Controlled Motor-Driven Devices Upon Distribution Feeder Loads—E. W. Oesterreich, 11
Major Electrical Connections of Latest Distribution Substations on Philadelphia Electric System—E. B. Shew, 49
Oklahoma Gas and Electric Company Method for Load Determination on Distribution Transformers—Perry Shelley, 17
Service Continuity Standards Aid Economical Distribution Planning—W. J. Lyman, 325
Transmission and Distribution Committee
Atlanta Meeting, 57
Chicago Meeting, 181
Philadelphia Meeting, 419
Trends in Construction Costs—J. P. Anderson, 411
Trends in Utility Accounting and Financing—Paul Grady, 152
Twelve Public Service Company of Colorado Employees Received Matthews Valor Award, 244

U

Union Electric Wins Annual Report Contest, 212
Utilities Finance Idaho Farm Electrification Research Program, 346
Utilities Having Radio Licenses or Construction Permits, 47, 454
